As a head coach, you will develop the coaching strategies and training plans to ensure our swimmers have an encouraging and supportive environment to train and grow. You will lead a young and energetic coaching team and provide directions for them. You will also be hands-on coaching the swimmers of different age groups.

What you will bring

- Proven head or senior coaching experience with a regional artistic swimming club in NZ or overseas
- Experience in developing strategies and able to mentor junior coaches
- Routine choreography experience with understanding of the new rules, acrobatics and DD
- Passionate about aquatic sports and working with youth, has a respective coaching style that encourages swimmers to enjoy their sport while still challenging themselves
- Excellent collaborator and team player, exceptional communication skills, able to communicate with the swimmers and their families effectively

What you will get in return:

- Competitive rates for aquatic coaching in NZ
- Working hours up to 20 hours a week including 3 week nights (Mon, Wed and Fri) and Saturday mornings
- Coach development opportunities
- A friendly club environment and supportive synchro community in NZ

If this sounds like you, we would like to hear from you. Please send us your recent CV at nhsynchro@gmail.com You must have the right to live and work in New Zealand.
